- Friday is “School Day” between the hours 9:00am-2:00pm with a small skirmish on the field near the barn at Noon.
- Food and Beverage stations will be on site for school groups to purchase lunch and snacks. Souvenirs will be available for purchase at several educational stations.
- All students need to stay with designated chaperones. Students may need jackets for cool mornings in October. If schools or students plan on purchasing lunch or souvenirs, please bring money.
- School groups can bring their own lunches. Place all trash in the cans located throughout the field to keep this historical site clean.
